I declare that all information I advanced is correct and complete. I am conscious of the fact that any false declaration will lead to the rejection of application or the annulment of the the visa if already issued and may lead to legal proceedings according to the regulations in force in Morocco.

Note :

- In addition to your valid passport and visa, you should be able during your passage through the Moroccan frontier to present all documents that may justify your return and your stay, your subsistence means, insurance statement, etc

- Entry to the Moroccan territory may be refused to the alien who does not fulfil all these requirements.

Providing all the required documents does not necessarily open right to visa.
